RS Pro Heatsink Transistor Mount Kit For Use With TO-220

RS Stock No: **712-8225**

Product Details

RS Pro heatsink transistor mount kit is suitable for use with TO-220 transistors. The kit includes silicone rubber insulating heat sink washers for mounting power semiconductors. This kit eliminates the need for heat sink compound.

Features and Benefits

- Silicone rubber insulating heat sink washers (reinforced with fibreglass) for mounting power semiconductors
- The need for heat sink compound (as used, for example, with mica washers) is eliminated
- 10 washers supplied in each kit
