

Features

- 1 in BSP male
- 1in Cam and Groove adaptor (F)
- Male coupling
- Stainless Steel
- Seal temperature range of -20°C to 80°C
- Buna-N sealing ring

RS PRO 1in Straight Cam and Groove Hose Coupling

RS Stock No.: 307-308

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

A part F cam and groove adaptor providing a quick and easy hose connection. The simple joining system makes it well-suited to situations that call for frequent pipe changes, such as in chemical transportation trucks.

It works together with a camlock to create a leak-free and durable pipe join that withstands dirty environments well. An adaptor like this is used in a broad range of applications, including manufacturing, agriculture and gas industries.

General Specifications

Hose Connector Type	Cam and Groove
Connector Gender	Male
Thread Size	1 in
Thread Standard	BSPT
Body Material	Stainless Steel
Maximum Working Pressure	17 bar
Seal Temperature Range	-20°C to 80°C
Seal Material	Buna-N

Approvals

Compliance/Certifications	MIL-C-27487, ASTM A351-CF8M
