RS PRO Polyurethane Chair

RS Stock No.: 0687575

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

RS PRO Polyurethane Chair is a professional seating solution designed for demanding work environments where comfort, durability, and easy maintenance are essential. It is ideal for intensive, everyday use in production, technical, and industrial settings.

Product Features:

- ✓ **Soft, anti-slip seat material** – ensures user comfort and secure seating
- ✓ **Adjustable seat and backrest height** – allows personalized adjustment to meet individual user needs
- ✓ **Chrome-plated five-star base** – offers excellent stability and resistance to intensive use
- ✓ **Safety-First Design** – For maximum safety, the tallest model is equipped with glides instead of castors
- ✓ **Easy-to-clean surface** – resistant to dirt and does not absorb contaminants
- ✓ **Carefully designed seat and backrest shape** – provides natural spinal support and enhances comfort during prolonged sitting

An excellent choice for production and workshop environments where robust construction and ergonomic support are key. Suitable for a wide range of industries, including general manufacturing, automotive, medical, and technical services.
