

NAC3FCA-1

Lockable cable connector, power-in, screw terminals, blue, V-0 Insert

The powerCON is a locking 3 conductor equipment AC connector with contacts for line, neutral and pre-mating ground contact. It replaces appliance couplers wherever a very rugged solution in combination with a locking device is needed in order to guarantee a safe power connection.

Features & Benefits

- Power-in (blue) and power-out (grey) versions with different keying to avoid the possibility of intermating
- Extremely robust and reliable
- Unique Neutrik chuck type strain relief
- UL, cUL recognized components
VDE certified
SEV approved
- V-0 Flammability rated insert
- Fast and easy twist lock latching system
- Ergonomic design
- Improved kink protection by two-component bushing
- Branded with unique hologram - guarantees genuine and authentic Neutrik product
- Circuit Breaking Capability (IEC 61984) when mated with powerCON XX Series Receptacles
