## Product Description

The HypaBand Conforming Bandage is ideal for securing and compressing wound dressings, ensuring they stay in place. They are exceptionally stretchy and conform easily to any body part, allowing full freedom of movement.
The bandages are lightweight, fray resistant and breathable. They are designed to allow air circulation which reduces skin maceration, risk of infection, inflammation and other skin reactions to prolonged bandaging. The bandages are individually wrapped for cleanliness and are highly recommended extras for any first aid kit.
The HypaBand Conforming Bandage is also available in the following sizes:
- 5cm x 4m
- 10cm x 4m
