Installation notes:

Fixing instructions are supplied with the exit sign luminaire.

The panel should be fitted in conjunction with a slotted trim plate for the Silver-Lite or a transparent slotted diffuser for the Silver-Scape.

Each panel has two pre-drilled location holes near the top edge. Locating pins are provided with trim plate (AE**, where ** =01 white, 04 brass, 05 stainless steel, 06 aluminium) for the Silver-Lite.

Slotted trim plate AE01, includes locating pins
