RS PRO PP Storage Bin Container, 260mm x 395mm, Transparent

RS Stock No.: 760-4191

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This 4 pack of 35-litre durable plastic containers from our trusted and highly reliable own brand RS PRO are an essential storage solution that can be used to store a wide range of materials. RS PRO plastic containers feature a clip-on plastic lid to provide an airtight seal to keep materials safely contained. These high-quality containers are stackable and transparent allowing you to save space and keep them neatly organised when not in use while still being able to easily identify what is stored in your boxes.
