

MY310 EQ Mouse – Midsize – Wireless

The MY310 EQ Mouse is the ideal choice for busy professionals seeking a more sustainable mouse that supports comfort and enhances productivity. Composed of 59% post-consumer recycled (PCR) plastic*, the comfortable mid-size ergonomic design aligns with the natural curvature of the hand to reduce strain and fatigue. It features soft rubber panels and contoured buttons to support comfort and grip. The responsive optical sensor features three DPI settings (800/1200/1600) and delivers smooth cursor control and precision tracking. Secure AES 2.4GHz wireless connectivity reduces risk of interference and is ideal for clutter-free workspaces. It includes a clickable scroll wheel for speeding through documents, convenient back/forward browser navigation, and dongle storage. Compatible with Windows, macOS and ChromeOS. Includes a 3-year limited warranty. *Excludes PCB assembly

Attributes

- The plastic in this product contains 59% post-consumer recycled (PCR) content. *Excludes PCB assembly
- Ergonomic design supports all day comfort.
- Responsive optical sensor provides smooth cursor control and precision tracking.
