

CARTS

250 KG

Serving trays, medium wood

Servers designed to move loads or bins of dimensions 600 x 400 mm on 2 levels.

These robust trolleys are distinguished by their fully welded frame and their medium wood shelves.

- Fully welded heavy-duty chassis.
- The absence of uprights at the front of the trolley makes it easy to load boxes, trays, etc.
- Backrest in 25 mm tube. Ergonomic height.
- Recessed and riveted top made of 12 mm thick varnished medium wood. Very resistant, it does not crack or splinter despite repeated impacts. No risk of splintering.
- 2 fixed wheels + 2 swivel wheels with brakes, EN 1757 standard.
- Optional: bins.

Easy loading of bins and boxes.

880 004 076 - Intermediate tray

880 004 075 - High Plateau

| Reference | Model | Tray dimensions mm | CU top plate | Height of top shelf mm | Overall dimensions mm | Ø Wheels | Bandage | Weight |
