

Features

- **Convenient Storage** – Designed to store lockout padlocks, tags, and hasps near isolation points, promoting quick and efficient lockout access.
- **Durable Construction** – Made from Aluminium Composite Panel (ACP) with moulded ABS parts for long-lasting strength and impact resistance.
- **Enhanced Visibility** – Equipped with transparent hooks that add a modern aesthetic while clearly displaying lockout devices.
- **Customizable Design** – Available in various sizes, layout combinations, and viewing options (front view or side view) to suit different workplace setups.
- **Optimized for Safety** – Keeps essential lockout equipment organized and easily accessible to support compliance with safe isolation procedures.
