Cable Storage Racks & Dispensers

Product Description

The compact X-BOARD - XB 500 is a universal professional cable drum winder and unwinder for all types of cables and pipes (conductors, cable rings, cable drums, conduits, ropes and cable drums).

It enables trouble-free and rational working without tangled cables.

The X BOARD - XB 500 can be loaded up to 800 kg and is suitable for almost any type of drum.

Especially suitable for damaged cable drums.

The height-adjustable cover is perfectly designed to secure loose cables, cable rings or pipes in the X-BOARD XB500, thus preventing uncontrolled cable unwinding.

12 rubberised feet ensure a non-slip and stable base. Optimal for protecting surfaces for already finished floor coverings.
