- Compatible with most oil and chemicals
- Integrated well captures leaks during dispensing

RS PRO Poly Single IBC Spill Pallet with Dispensing Well

RS Stock No.: 694-329

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Suitable to store 1 x 1000 litre IBC containers only. The integrated well is designed to capture leaks that occur during dispensing and the sump under the platform is designed to capture leaks from the stored containers. Spill pallets are widely used in industrial manufacturing, automotive manufacturing and repair, transport and logistics, oil & gas, marine and pharmaceutical industries.
