RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

This is a robust zinc-plated steel pin hinge with a captive spring pin that allows quick, tool-free door removal. It supports free movement up to 180° and is ideal for single or in-line cabinets and panels, especially where rapid access is needed. It is surface-mounted via screws and suited for both concealed or visible door installations
