RS **PRO**

Features

- Material: UL94V-2 flame rated, UL approved Nylon 66.

- Color: Natural.

- Feature: Easy to install without tool.
- Double locking design ensure that once support inside the panel cannot be removed accidentally.

RS PRO PCB Support 19.1

RS Stock No.: 0267987

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

PCB Support

Product Description

PCB Support is made from UL-approved Nylon 66, featuring a flame rating of UL94V-2. It is easy to install and remove by hand without the need for tools. The double-locking design ensures the support stays in place once inserted, preventing accidental removal. It is ideal for pre-drilled PCB and chassis applications. The product is certified halogen-free and RoHS compliant, with natural colour.

General Specifications

Colour	Natural
Material	Nylon 6/6
Application	Suitable for use in electrical and electronic servicing, maintenance, mechanical and automotive applications.
Space	19.1
PCB Hole	4.0
PCB Thickness	1.8
Chassis Hole	4.8
Chassis Thickness	2.5

Approvals

Standards Met	Halogen-Free, RoHS
