- UV treated polyester webbing for outdoor uses and maximum durability

Product Details

The Master Lock No. 3313EURDAT features a 2,50m x 25mm pre assembled spring clamp tie-down strap to gain in simplicity and easiness of use. Ideal for moving house, no fiddly setup, it's ready to use! Adjust the length of the strap by using the easy to use push button. Two S hooks with security clip keep the strap attached to the anchor points even when not under tension. The Strap Trap™ will secure the excess strap during the transportation of the load and store the strap easily when not in use; avoiding tangles.
