RS PRO Precision Slotted Screwdriver Set 6 Piece

RS Stock No.: 542-3379

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this interchangeable jeweller's screwdriver set is perfect for professionals and enthusiasts alike. The five interchangeable blades lock into a pen-sized aluminum driver, connecting via a screwable ring nut blade holder for a secure fit. When not in use, the interchangeable screwdriver bits can be stored in the body of the driver.
