

Features

- Perfect solution for quickly joining & connecting box section tube.
- Complete with steel core centre for added strength.
- Designed for 25x25 box section tube with a 1.5mm wall thickness.
- Perfect solution for a range of applications.
- Push fit for quick and easy installation.

RS PRO Square Tube Connectors 4 Way Flat Connector (With Steel Core)

RS Stock No.: 0656360

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Tube connectors are a quick and easy solution to join box section together and are available in a range of configurations.

Tube connectors are used in thousands of different applications including clothes rails, exhibition stands & point of sale equipment to name a few.

This tube connector comes complete with a steel inner core for added strength.

This range of tube connector is designed to be used in conjunction with 25mm x 25mm box section with an internal wall thickness of 1.5mm.

General Specifications

Product Family	RS Square Tube System
Product System	Versatile Construction System
Structural Element Type	25mm x 25mm x 1.5mm Square Tube
Connector Type	4-Way Flat Tube Connector
Material	
Applications	Enclosures, workbenches, POS displays & much more.

Mechanical Specifications

Suitable For	25mm X 25mm square tube with a 1.5mm wall thickness
---------------------	---

Approvals

Compliance/Certifications	REACH, RoHS
----------------------------------	-------------

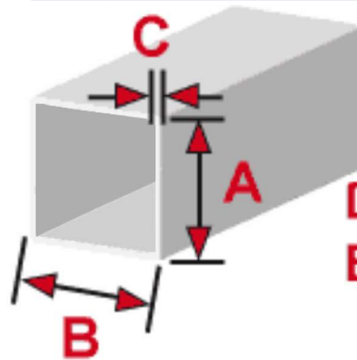

Declarations	MFR Declaration of Conformity
---------------------	-------------------------------
