Ap1300BTi and Ap1310BTi Bluetooth™ Printers

These new, mobile mini-printers with Bluetooth connectivity are developed to be compatible with your iPod, iPhone or iPad.

Simply download the Able Print App from the Apple App Store to get started printing tickets, receipts, images, reports and bar codes from your iPod, iPhone or iPad. Developed primarily to address the needs of organisations operating in the EPoS, leisure, hospitality, mobile payment and healthcare sectors, these models lend themselves to a wide variety of possible mobile uses.

Printing on the go with Able and Apple.
