Description of Change: Vishay Siliconix is announcing to transfer the assembly and test capacity for SC89-3L package of LVM Commercial MOSFETs from AUK Korea to KEC Thailand.

Reason for Change: Due to production line termination at AUK Korea

Expected Influence on Quality/Reliability/Performance: There will be no effect on the quality, reliability, or performance. There will be no changes in minimum and maximum values on the datasheet parameters.

Part Numbers/Series/Families Affected: SI1013CX-T1-GE3, SI1062X-T1-GE3,

Vishay Brand(S): Vishay Siliconix

Time Schedule:

Start Shipment Date: Friday April 10, 2026

Sample Availability: Please contact your regional Vishay Sales office for sample availability

Product Identification: There will be no change to part numbering

Qualification Data: Qualification results are available upon request

This PCN is considered approved, without further notification, unless we receive specific customer concerns before Wednesday April 8, 2026 or as specified by contract.
