

PRODUCT-DETAILS

ZLS201E92  
Busbar

| 概要信息        |                                                                                                  |
|-------------|--------------------------------------------------------------------------------------------------|
| 产品型号        | ZLS201E92                                                                                        |
| 产品ID        | 2CCF800200R0001                                                                                  |
| 欧洲商品编号(EAN) | 7612270017119                                                                                    |
| 目录说明        | Busbar                                                                                           |
| 详细描述        | Busbar 125A L1, L2, L3, N or PE 10x3mm galvanic plated for SMISSLINE TP-Touch proof system PLE92 |

| 技术参数                   |                    |
|------------------------|--------------------|
| 标准                     | IEC/EN 61439-6     |
| 剩余电流动作特性               | Standard Version   |
| 额定工作电压                 | 690 / 1000 V AC/DC |
| 额定电流 (I <sub>n</sub> ) | 125 A              |
| Model Number           | Flat               |
| 表面处理                   | Tinned             |
| 提供的选项                  | Busbar LLL,N, N,PE |

| Material Compliance                         |                                                                        |                 |
|---------------------------------------------|------------------------------------------------------------------------|-----------------|
| RoHS信息                                      |                                                                        | 9AKK107991A9646 |
| RoHS状态                                      | Following EU Directive 2011/65/EU and Amendment 2015/863 July 22, 2019 |                 |
| RoHS日期                                      |                                                                        | 20170426        |
| REACH Declaration                           |                                                                        | 9AKK108467A9561 |
| REACH Information                           | True - contains substances > 0.1 mass percentage                       |                 |
| REACH Date                                  |                                                                        | 20230417        |
| Conflict Minerals Reporting Template (CMRT) |                                                                        | 9AKK108468A3363 |
