SOUND GREAT**

Jabra®
YOU'RE ON

HANDS FREE CALLS WITH GREAT SOUND

Introducing the Jabra Tour, the portable in-car speakerphone with a powerful 3-watt speaker for incredibly lifelike sound. Stay focused on the road ahead while enjoying hands free calls and control over your phone. Your every word will come through clearly thanks to the HD Voice* microphone. You can even use your voice to make and take calls via Voice Control**. And when you're not in a call, stream multimedia – including: Music, GPS directions and podcasts.

Guided set-up and pairing lets you quickly connect to the Jabra Tour. Built-in motion sensors detect when you are in your car, so it can switch on and off accordingly. Multi-use™ lets you pair your speakerphone to any two active *Bluetooth*® devices simultaneously to stay connected.

Drive safe and sound great with the Jabra Tour.
